To Don Stine and the Asbury Park Historical Society,

I just want to formally thank you on behalf of my students and myself. Thank you so much for supporting my students and the Rock of Ages class for the second consecutive year. It was great to see that Rock n' Roll is continuing its renaissance in Asbury Park, N.J. We were welcomed once again to the Lake House Academy, House of Independents, The Stone Pony, The Paramount and Convention Hall. Everyone went above and beyond to make our school feel welcome and made us feel like true rock stars. None of this would have been possible without your help. I am thankful for everything you did to make the day special for my students. If there is anything I can do to pay it forward, please let me know. Thank you once again for sharing your passion and knowledge of music history with my students. It was great to see how much love you have for music and the community of Asbury Park.

Regards,

Adam Beitchman and the students of Gaynor McCown EL HS, A NYC Outward Bound School
