	TOTAL	\$66,558.77

Approval of Minutes for April 18, 2019

Don said that the Old Monmouth Tour Weekend was very successful. On Saturday, Tom gave a power point presentation and Tom, Susan and Frank gave tours of the first and second floors. The Center has asked A.P.H.S. for a donation for their fundraiser and Don prepared a bag with memorabilia and membership for the Society. The library update has cost \$10,000, with a grant of \$2,900. The Green family in Spring Lake donated leather bound books to our library. Don states we need categories for awards. He will look into local school for items for the Crane House with Eileen. There has been no response for house registry in A.P.

Jim said grant for Crane's bedroom has been approved (not yet received) and plastering can begin shortly. Sewing machines in bedroom can be donated. Community Development block grant is \$14,000, per Jim.

Andy and Jim attended program in Monmouth for obligations and responsibilities for Board members. A.P.H.S. members are in full compliance as a Board.

Fund Raising Committee meeting was canceled due to inclement weather
Eileen reminds us of fundraiser in Anchor Bend on June 13.

Frank gave his program schedule for films on operettas to be shown on the 4th Thursday in June, July and August.

Susan attended the first Shore History Fair, sponsored by the Belmar Historical Society. Various societies donated clippings, photos and brochures on A.P. Working with other shore communities was an invaluable experience.
